Thursday 14th January 2016

Dear Parents/Carers

In year 4, we are currently designing and planning our **own wallet or purse** as this term's **Design Technology topic**. They will be made out of fabric using sewing skills we will be learning.

We thought it would be a great idea to invite adult family members to join us in part of our **Design Technology day**, to see our plans and designs, and to experience some of our learning. The day we have chosen is **Wednesday 10th February 2016** and we will be creating our pieces from **10:30 onwards**.

If any adult family member would like to join us on that day, you are very welcome to come in for as little or as long as you would like to. We will be having our break time at 11:15 till 11:30 which you are welcome to stay in class for, however lunch will be from 12:30 to 1:15 and we would request that you take a break off site at this time if you are staying for the afternoon session.

Some of the children have also expressed a preference for material or resources they can access at home to be used for their wallet/purse; therefore it would be beneficial if they could bring this material in to school as soon as possible so it can form part of their planning stages. There will be a few buttons, beads, sequins and threads available for the children to use, however if they would like to bring decorations of their own in, that is a great idea. Again, it would be useful for them to be brought in prior to our DT day to be included in their planning stages.

We would love for you to join in our learning for any length of time; anything from 30 minutes to the whole event until 3:15pm. Please complete the slip below and **return by 6:00pm on Friday 5th February 2016**.

We look forward to seeing you on the day.

Miss C Miller
Year 4 Teacher

Mrs P Sprouse
Teaching Assistant
