- support your child to complete their Home Learning projects

During these sessions there will be a Norwood member of staff available for you to discuss your child's book choice with, should you wish.

If you are unable to visit our school library at these times you can access the library online to renew and save books by visiting **<https://u006556.microlibrarian.net>**

Through this resource you can view available books, reserve books and look at the "Who next" feature for personal recommendations based on what your child has borrowed previously.
