Dear Parent/Carer,

We are writing to let you know about what occurred during the recent Y6 residential visit to Kingswood. The whole of the staff team that took part in the trip are all in agreement about the content of this letter.

Between the staff attending the trip, we have been on over 40 residential visits with varying year groups and with numerous different schools. Without question, this is the most enjoyable and rewarding experience we have had the pleasure to be a part of.

From the first moment to the last, the children behaved immaculately and also displayed impeccable manners, enormous enthusiasm and great maturity. The feeling of togetherness was felt in abundance throughout the entirety of the weekend and the genuine care and support the children had for each other was heart-warming.

The children are a credit to themselves, their families and the whole Norwood School community and, as a staff, we felt this warranted recognition. With this in mind, we greatly look forward to sharing their journey in their final year at Norwood and preparing them for a successful transition to secondary school. Once again, we are very lucky to be involved in the education of such a fabulous group of children.

Yours sincerely,

The Norwood Kingswood Team
