Dear Parents/Carers

To support your child with the preparation for the SATs tests in May and to enable children to familiarise themselves with the lay out of the papers we have provided an *Easter Pack*.

The learning that is in these packs are totally **optional** and therefore it is not compulsory for your child to complete any or all of the papers.

Should you wish for your child to access these papers, the contents are as follows:

Reading

- Reading material
- Reading answer book

Spelling, Grammar and Punctuation

- Spelling test (will need an additional person to read the script for this)
- Grammar and Punctuation booklet

We have also provided an answer booklet for these tests. All of the materials 'Test 2' and therefore please ensure that 'Test 2' answers are looked at when referring to the answer booklet.

Maths

- Arithmetic Paper
- Paper 2 – Reasoning
- Paper 3 – Reasoning
- Answers to the three tests

The expectation of the Easter Pack has been shared with the children and they have also been informed of approaches to this learning, including accessing the answers if they are stuck and working backwards.

I hope that you find these packs supportive, both for your child's learning and also in helping parents/carers understand that expectations of attainment at End of Key Stage 2.

Again, please remember that it is **not compulsory** for the children to complete these tasks and if the children wish to partake in them they can be carried out in non-test conditions and also in small sections over a period of time.

If you have any questions or queries please do contact a member of the Year 6 team.

Thank you for your ongoing support.

Yours sincerely

Mrs D Reynolds
