Dear Parents/Carers,

One of my roles in school is to support children with additional needs. This may include learning difficulties, physical difficulties, behaviour and family needs. During Consultation Evening, I will be available to meet with parents/carers who have concerns about their child's development. We can discuss your concerns and begin to plan a way forward to support your child.

Parents and families of children on the Special Needs Register, who are already working with Mrs Cockerill, will have an opportunity to meet at the end of November/beginning of December to discuss targets and next steps. However, if you would like an opportunity to meet before then, please contact the office to make an appointment.

Appointments are for 15 minutes, if you feel that this is not sufficient time to discuss your child's needs, please ask for a double appointment.

If you would like to speak with Mrs Cockerill during Consultation Evening, please contact the school office who will be able to make an appointment for you.

Yours faithfully

Mrs J. Cockerill

Mrs D. Reynolds
