

OPEN DAY SUNDAY, 21 JULY From 10am

**Come and see our facilities in
Fengate (PE1 5XA), have some fun and
find out what rugby is all about.**

Admission free!

Bar and barbecue available.

**Rugby's a game for players of all sorts of shapes
and sizes and we welcome both boys and girls.**

**Join the happy, smiling faces in the minis section at
Peterborough Rugby Club**

All of our coaches are qualified or working towards a qualification in coaching rugby and are CRB checked. We have qualified first-aiders on site at all times.

We have an active under-6 group which concentrates on having fun in a rugby environment without playing competitive matches against other clubs.

Our under-7 and under-8 teams play non-contact tag rugby with half-a-dozen tournaments and around 10 'friendly' matches each season, rarely more than an hour (at most) away if they're not at our own ground.

Our under-9, under-10, under-11 and under-12 teams play progressively more contact rugby as they get older and generally play at the same venues as the u-7 and u-8 teams each week, making it easier for parents with two or more players.

We also have u-13, u-14, u-15, u-16 and colts teams.

**TEAMWORK!
RESPECT!
ENJOYMENT!

SPORTSMANSHIP!**
