Aim High

Never Give Up

Follow Your Dream

Lead By Example

Friday 6th January 2017

Dear Parents/Carers

Welcome back to the start of 2017 at Norwood Primary School.

The children have returned to school full of exciting stories about their festive holiday. We do wish all of our families a very happy, healthy and prosperous 2017.

A reminder that all of our learning can be accessed via our website at www.norwood-school.co.uk in our '**Children's Zone**' area, with information on each class's learning for this term on their individual pages which can be found directly by clicking the hyperlinks below.

[Year Reception](#)

[Year 1](#)

[Year 2](#)

[Year 3](#)

[Year 4](#)

[Year 5](#)

[Year 6](#)

Also, as the year progresses, each year group will share their learning and outcomes in the '[gallery](#)' area.

As it is the time of the year when we may experience bad weather, I would like to remind you of the procedures that we at Norwood School will adhere to in cases of school closure.

Firstly, may I point out that in circumstances where staff members have difficulty in getting to or from school and where adult:child ratio becomes unsafe, under Health and Safety guidelines, the school will have no choice other than closure.

For updates on school closures please listen to Heart FM for regular updates before school hours. A complete listing of these will be continually updated at www.heart.co.uk/peterborough. We will also send out a text message to all parent/carers informing you of any closure along with an update on our school website which can be found at www.norwood-school.co.uk

For school closures during the school daytime, we will contact parents/carers by a text and email message to the registered email address for the '*first contact*'. Please make sure the school office have up to date contact numbers and email addresses.

Please bear in mind that the majority of our staff travel a considerable distance to school and to ensure their safe travel home, it is only sensible to react quickly to an unpredictable situation and due to possible changing weather a decision may be made to close school early.

Although we take every care to grit the school grounds please be aware in adverse weather conditions, extreme precaution should be taken when entering and leaving the school premises.

Yours sincerely

Mrs D Reynolds
Head Teacher
