Dear Parent/Carer

Norwood School has been approached by a number of parents to ask us to consider our before and after school provision. We are looking into beginning a breakfast club before school as well as after school care for our children.

Your child is currently entitled to free school meals and we are seeking your views on your children receiving a free breakfast as part of our before school provision.

Would you be interested in your child being cared for at school earlier than the start of the school day?	
Would you be interested in your child being given a healthy breakfast as part of the before school club?	
Would you be interested in your child being cared for at school after the end of the school day?	
Would you be willing to pay for any after school provision at a non-profit making rate?	
<u>Comments and Ideas</u>	

Yours faithfully
