Wednesday 30<sup>th</sup> November 2016

Dear Parents/Carers,

The Year 1 children will be doing a food tasting experiment within the first few days of the new term in January to start off our new learning topic of 'Food Glorious Food!' In this topic we will be looking at different foods and where they come from around the world, so this food experiment will be a good way for them to taste different flavours and start them thinking about where they come from.

This will be a fun experiment and anything the children don't want to try, they will not be forced to, however to get the most out of their experience, trying everything is encouraged. If there are any foods your child is allergic to and you have not made us aware of, please inform the office prior to this experiment.

If you have any questions, please see one of the Year 1 team.

Yours sincerely

Miss Butler  
Year 1 Class Teacher

Mrs Fenwick  
Teaching Assistant

Mrs D Reynolds  
Head Teacher
