Thursday 22nd September 2016

Dear Parent/Carers,

Years 5 and 6 pupils have been invited to Ken Stimpson Community School on the morning of **Thursday 29th September 2016** to experience Secondary school lessons and following this the 'Science Dome'.

Whilst at Ken Stimpson Community School the children will take part in a range of activities provided by the school. This is an excellent opportunity for children to visit a local secondary school as part of our transition procedures and is the first step in preparing children for transition into Year 7.

Ken Stimpson have also organised for external providers to bring the Science dome to their school and due to our positive links with them, they are offering the experience to year 5 and 6 pupils at Norwood free of charge.

Children will take a coach to and from Ken Stimpson. Your child will need to arrive at school at **8.45am** to be registered, ready to leave promptly at **9.00am**. The sessions at Ken Stimpson will finish at **12.45pm** so it is essential that they bring **2 snacks** with them to keep them going as lunch will be later than normal.

Please complete the attached permission slip and return to school by email by **Wednesday 28th September**.

If you have any questions regarding this visit please do not hesitate to ask.

Yours sincerely,

Mr Reynolds
