Wednesday 19th October 2016

Dear Parent/Carer,

Your child has been working as a group in Maths following a practical approach for the past 6 weeks. I would like to share some of the resources and strategies that I have taught in order for you to support this learning at home.

I would like to invite you to join our maths lesson on **Wednesday 2nd November** from **11:30-12:30**. During the lesson, you will see how we use a resource called Numicon and the types of skills we have been working on. I hope that following this lesson, you will feel confident to support your child at home.

If you are able to join us, please complete the slip below and return it to school by Tuesday 1st November. I am happy to accommodate more than one adult per child.

We look forward to sharing our learning with you.

Yours sincerely

Mrs J. Cockerill
