Tuesday 23rd May 2017

Dear Parents/Carers,

Year 6 have earned their 50 class credit reward and have chosen to have an electronics afternoon this **Friday 26th May**. As such, the children may bring in a hand-held electronics device to play with.

Please note that anything they bring in should be clearly labelled (including games) and that they are responsible for the items that they bring. I will ensure these items are secure throughout the day until they are needed. In addition to this please note that mobile phones are not permitted for this session, but should your child bring one to school as a matter of established routine they may still do so and take it to the office as they normally would.

Thank you.

Mr Reynolds and the Year 6 Team
