Dear Parent/Carer,

As you are fully aware, Year 6 is the final year of your child's primary education and during this important year we are preparing the children for SATs that will be taken in May 2018 in the following 3 areas: Maths, Reading and SPaG (Spelling, Grammar and Punctuation).

In previous years, the school has provided booklets for parents/carers to purchase, at a discounted price, the 'Rising Stars' *Practice Questions* booklets and *Revision Guide* booklets for **Reading, SPaG and Maths**. This has been very successful for pupils in Year 6.

These booklets are in line with the new curriculum, assessments procedures, and higher expectation for this Year 6 cohort of children. I recommend to parents/carers that there are lots of revision aids on the internet and any work completed will be of beneficial as a "top up".

I believe these booklets will serve as both an excellent revision aid for your child and you as parents/carers will also have a clearer understanding of the requirements for children to achieve the appropriate level.

The cost of each booklet is £4.00 and RRP is £6.00. If you are interested in purchasing any of these booklets at the discounted price please complete the attached slip and pay on ParentPay as soon as possible.

Booklets will be available for viewing in the year 6 classroom before or after school, or online at <http://www.whsmith.co.uk/search/go?af=&w=achieve+100&catrestrict=yes>

Thank you for your continued support and I am confident that with parents/carers and the school both working together in partnership all children will achieve their full potential.

Yours sincerely
