Monday 9th July 2018

Dear Parent/Carer,

Your child has been selected to represent Norwood Primary School at a Maths Challenge Day event being held at Kings Secondary School on **Thursday 12th July 2018**. This is an exciting opportunity to take part in a range of challenging and exciting activities as part of a 4 child team competing against other Primary Schools. My sincere apologies for the short notice; this is an oversight on my part.

On the day, children must arrive in their school uniform at school at the usual time will register before then travelling to and from Kings by taxi accompanied by a Norwood staff member who will remain with the children all day -the cost of this has been covered by Norwood School. All the children will be required to have in school is a packed lunch (if your child is entitled to a free school meal, their lunch can be provided by school – please let us know if this is the case) and a water bottle.

They will leave Norwood at 9.30am, return for 3pm and can be collected at the end of the school day as normal.

If you wish your child to attend, please complete the attached permission slip and return to school by email by **Wednesday 11th July 2018**.

If you have any questions regarding this opportunity, please do not hesitate to ask Mr Reynolds, Miss Hodgkins or a member of the Year 5 Team.

Yours sincerely,

Mr Reynolds
