Dear Parents/Carers

In year 4, we will be learning about tie dying and methods of embroidery as skills to build up to the final piece where the children can design and decorate their own top as part of this term's **Design Technology** topic.

Therefore for this project we are asking parents/carers to provide a plain white top (t-shirt) so that they can decorate it in school as part of our learning and they can keep it afterwards. The children can either use an old white top or a cheap white top could be brought to be decorated on. The top should be completely plain.

Please can be tops be brought into school ready for Thursday 8th February.

Please do come and speak to the Year 4 team if you are unable to provide a plain top.
