Aim High

Never Give Up

Follow Your Dream

Lead By Example

Tuesday 27th February 2018

Dear Parents/Carers,

Pupils in KS2 have recently been introduced to the Linguafun programme in their French lessons.

This is an interactive resource that enables pupils to participate in games and other activities linked to all of the topics that they learn in school. This has proved to be very popular amongst pupils and some have expressed a wish to access this at home. Despite being a language resource, pupils are also able to play games linked to other areas of the curriculum including Maths and Science.

In order to use this at home, your child will need to use Chrome in order to access the full programme. It will then ask for the following information:

Username: norwood
Password lion

If you have any questions regarding this please speak to either class teacher or Miss Hodgkins.

Kind regards

Miss Hodgkins
MFL Lead
