Dear Parent/Carer,

We have created an opportunity to support your child with reading. Baseline assessments have shown that your child would benefit from support to understand how to tackle SATs style questions in order to be successful in achieving the Expected standard or better by the end of the academic year.

We are able to offer extra provision on Mondays after school from 3:15pm until 4:15pm. This will involve your child working with Mrs Fox in a small group that will focus on fluency, interpreting comprehension questions in a SATs style format and articulating and writing clear answers with evidence from the text. The sessions will begin from **Monday 2nd October 2017** and continue on a weekly basis until **Monday 18th December 2017**.

Please collect your child from the Year 2 classroom door at 4:15pm. We believe that these additional sessions will support your child in making strides to achieve at least the expected standard in reading by the end of the academic year.

If you are interested in your child attending then please return the permission slip below by Thursday 28th September.

Yours sincerely

Mrs J. Cockerill
