Dear Parent/Carer,

We have created an opportunity to support your child with maths. Baseline assessments and observations in class have shown that your child would benefit from additional support to address some gaps in their learning.

We are able to offer extra provision on Tuesdays before school from 8:30am until 9:00am. This will involve your child working with Mrs Fox in a small group that will focus on number and place value knowledge and understanding. The sessions will begin from **Tuesday 3rd October 2017** and continue on a weekly basis until **Tuesday 19th December 2017**.

Please bring your child to the Year 2 classroom door at 8:30am. We believe that these additional sessions will support your child in making strides to gain confidence with number and place value and therefore give them a greater opportunity to achieve the expected standard by the end of the academic year.

If you are interested in your child attending then please return the permission slip below by Thursday 28th September.

Yours sincerely

Mrs J. Cockerill
