Aim High

Never Give Up

Follow Your Dream

Lead By Example

Friday 8th September 2017

Dear Parents/Carers,

This term, Year 1 are going to be looking at the local area and also understanding maps within their geography curriculum. We are going to be going on a local walk around the area of the school, to see what landmarks/points of interest we can plot on a map when we come back to the classroom and start off this area of learning.

We are hoping to go on our local walk on **Monday 25th September 2017** to really get the most out of our learning. We have a journey planned out for this trip and it should last around an hour and a half, at the longest (walking between 9.45am-11.30am). For this walk pupils will need to have sensible footwear (comfortable school shoes), a warm/waterproof coat and suncream, depending on the weather on the day.

As always, we really appreciate you working with us to make this a special opportunity for the children's learning. We would greatly appreciate you volunteering your time for this trip, if you are able to. We only need 3 volunteers and it would be on a first come, first served basis to accompany us. If you would like to be involved with us on the day, please let a member of the Year 1 team know. Unfortunately, if we are unable to get the extra voluntary help, we will be unable to go on this local walk.

Thank you and I look forward to seeing all of the children benefit from this trip!

Many Thanks,

Miss Butler
