Friday 5<sup>th</sup> January 2018

Dear Parent/Carer,

We have created an opportunity to support your child with maths. Baseline assessments and observations in class have shown that your child would benefit from additional support to address some gaps in their learning.

We are able to offer extra provision on Mondays and Tuesdays before school from 8:40am until 9:00am. This will involve your child working with Mrs Sansby in a small group that will focus on number and concepts taught in class since September. The sessions will begin from **Monday 15<sup>th</sup> January 2018** and continue on a weekly basis until **Tuesday 6<sup>th</sup> February 2018**.

Please bring your child to the Year 1 classroom door at 8:40am promptly. We believe that these additional sessions will support your child in making strides to gain confidence with maths and therefore give them a greater opportunity to achieve the expected standard by the end of the academic year.

If you are interested in your child attending then please return the permission slip below by Thursday 11<sup>th</sup> January 2018.

Yours sincerely

Miss Butler
