

To Year One children,

We have had an amazing time together over the year and I'd like to celebrate this, and your 70 class credits, with you as a treat. Therefore I am inviting you on our very own Teddy Bears Picnic on Tuesday 24th July. We can have a lovely day together, preparing food and decorations before picnicking in the afternoon. In order for our picnic to be a success I'd like you to bring along your favourite teddy. I'll be bringing mine too.

Have a lovely weekend,

Miss Butler.
