Aim High

Never Give Up

Follow Your Dream

Lead By Example

Thursday 26th April 2018

Dear Parents/Carers,

Before Easter, the pupils were introduced to the Legacy Challenge. This is designed to get children more physically active. There are two booklets, one that is aimed at EYFS/KS1 and the other is aimed at KS2. These booklets are made up of a series of different challenges for the pupils to complete outside of school. Some of them will lend themselves to activities that the pupils are already doing and can therefore be signed off instantly. Others will require pupils to take up or try activities that they may have never done before. Pupils will be sent home with a copy of Task 1, and will be given task 2 on completion of this. Each pupil's booklet will remain in school.

Once pupils have completed an activity, they should bring in some form of evidence to show that they have completed it. This could be in the form of a picture, a letter from parents, a reflection or anything else they can think of. The evidence provided by pupils will be checked once a week, by either Miss Hodgkins, Mr Johnson or one of the Year 6 Sport Ambassadors.

Pupils will receive a certificate when they have completed all challenges. Please note that some challenges are comprised of more than one section. All sections will need to be completed in order to have the task signed off. In addition, schools who complete the most challenges are in with a chance of winning a visit from an athlete.

These activities can be filled in when appropriate and can be carried on into the next academic year. It is not compulsory for pupils to do these activities but I hope that they will be encouraged to do so in order to promote a healthy and active lifestyle.

If you have any questions, please do not hesitate to ask.

Kind regards

Miss M Hodgkins
