Dear Parents/Carers of Year 5 and Year 6 children

It has come to my attention that a number of the children in Year 5 and Year 6 have their own Youtube account and are posting videos of question and answer sessions on the internet. Other children have also commented upon the videos.

It concerns me that a number of these videos are of an inappropriate sexual nature, share the child's identify or could be considered to be of a threatening/bullying nature.

I am also aware that younger siblings are present in the vicinity when this inappropriate material is being filmed.

The level of concern is so high that I have contacted the Police who will arrange for an officer to visit the school to investigate the matter further.

I am sure that there are a number of children that this issue does not concern, however please could I ask all parents/carers to reinforce the messages given to your children today about behaviour on the internet.

I hope that you understand the severity of the concerns and that you support school in helping to keep your children safe and of trouble whilst on line.

Yours faithfully

Mrs D Reynolds
