Dear Parents/Carers,

This Summer, Peterborough libraries will once again be participating in the Summer Reading Challenge. The theme this Summer is Mischief Makers, inspired by characters from the Beano which celebrates it's 80th anniversary this year.

The challenge will run from Saturday 15th July and all Peterborough libraries will be participating.

How the challenge works:

- Children sign up at their local library (your child will need to join the library to participate if they are not already a member).
- After your child has read their first book they will receive the Mischief Makers collector folder- a map of Beanotown so they can help Dennis, Gnasher and the gang find the buried treasure.
- Children borrow and read at least six library books of their choice during the Summer, collecting rewards and special stickers to complete their folder along the way.
- Children who complete the Summer Reading Challenge are presented with a certificate which, as in previous years, will be sent to schools to give out in the Autumn Term.

We hope that as many children as possible complete the challenge this Summer to be the best performing school in Peterborough!

Yours sincerely
