Aim High

Never Give Up

Follow Your Dream

Lead By Example

Thursday 21st February 2013

Dear parents/carers,

As part of our Star Wars topic theme, children have been designing and creating patterns to make their own moving Star Wars toy.

In order for children to successfully complete this woodwork project, we have arranged for them to visit Arthur Mellows Village College on the morning of **Wednesday 27th February 2013** to use the College's woodworking tools and resources.

Children will be given a full safety talk prior to doing any work, as well as clear instructions on using the tools. Children will also be fully supervised at all times by members of the design and technology department at the school as well as the Year 6 adults.

Children should arrive at school at the usual time and will return to Norwood in time for lunch as usual. If children require a snack for break time, they will need to take this with them.

If you are happy for your child to take part in this visit, please sign and return the attached reply slip by Monday 25th February 2013.

Yours sincerely

Miss L Perkins

Mrs D Reynolds

I give permission for my child: (Year 6) to take part in the visit to AMVC's design and technology department on Wednesday 27th February 2013.

Signed: _____ (parent/carer)
