

Christmas Shoebox

appeal for the local homeless

@santaslittlehelper2016

please find us on Facebook

Christmas is a time of joy, hope and love, but not everyone has the opportunity to feel this way. For some Christmas is a time full of sadness, isolation, depression and for some, a time when some feel unable to cope with life.

A shoebox represents a person's thoughtful gift to a perfect stranger, a sign that love and thoughts are with them during the festive season. A helping hand by the way of a practical gift to help them through the cold weather.

If you wish to make a donation big or small or fill a shoebox please get into contact via our Facebook appeal page "**Christmas Shoebox appeal for the local homeless @santaslittlehelper2016**" or call Di on 07896 356 703
