October 2018

Dear Parent/Carer,

As you are fully aware, Year 6 is the final year of your child's primary education and during this important year we are preparing the children for SATs that will be taken in May 2019 in the following 3 areas: Maths, Reading and GSP (Grammar, Spelling and Punctuation).

In previous years, the school has provided booklets for parents/carers to purchase, at a discounted price. The 'Rising Stars' *Practice Questions* booklets and *Revision Guide* booklets for **Reading, GSP** and **Maths**. This year 'Rising Stars' have introduced a book of practice papers as well. In the past, these booklets have been very successful for pupils in Year 6.

These booklets are in line with the new curriculum, assessments procedures, and higher expectation for this Year 6 cohort of children. I recommend to parents/carers that there are many revision aids on the internet and any work completed will be beneficial as a "top up".

I believe these booklets will serve as both an excellent revision aid for your child and you, as parents/carers will also have a clearer understanding of the requirements for children to achieve the appropriate level.

**If the whole set of Practice Questions, Revision Guides and Practice Papers are purchased together, we can receive a discounted price of £7.50 per set. To purchase an individual booklet the cost will be £5.99 per booklet. If you are interested in purchasing any of these booklets, please complete the attached slip and pay on ParentPay as soon as possible. Deadline for orders will be 16/11/2018.**

The school have purchased a small amount of stock to sell on to Parent/Carers. Once this has been sold, we will then order on demand once all orders have been received by the deadline.

Booklets will be available for viewing in the year 6 classroom before or after school, at the school office between 8.30 am and 4.30 pm or online at <https://www.whsmith.co.uk/search/go?af=&w=acheive+maths+sats+question+workbook>

Thank you for your continued support and I am confident that with parents/carers and the school both working together in partnership all children will achieve their full potential.

Yours sincerely

Mr Reynolds  
Year 6 Teacher
