Who are we?

Get Set Go! Is a new company who aim to provide fun and active holiday clubs for pupils within Peterborough. Our holiday clubs focus on a high-energy combination of games, sports and all round active entertainment for children aged 4 plus.

Our vision:

We aim to make sport as fun and enjoyable as possible for young children. We aim to develop children in to well rounded individuals and ensure that it is accessible for all abilities.

What we do?

Get Set Go! offers multi-sport coaching days with an emphasis on fun, fair play and teamwork in safe and friendly environment. We cover a range of sports including football, cricket, rounders, hockey, dodgeball, lacrosse, tennis, tri-golf, dance, handball, tag rugby and many more. All sports are delivered by qualified teachers and coaches in a fun and inclusive manner.

Our holiday clubs:

Days run from 9am till 3.30pm and costs start from £11 a day per child. Children participate in a variety of high-energy team games which assist in developing pupils social skills along with a range of physical skills (agility, balance and co-ordination).

After- school clubs

Our after-school clubs provide an opportunity to develop their confidence and skills to enable them to enjoy sport. Pupils will have the opportunity to develop both individually and in team games. Pupils will receive a practical and fun learning experience giving them the opportunity to develop physically, socially and emotionally.
