## Childhood Flu Vaccination

The school-based nasal flu vaccination programme helps protect your child against flu. Flu can be a dangerous illness and sometimes causes serious complications. Your child is entitled to the vaccination free, from the NHS.

You should have received information and a link to an electronic consent via your school's email. Your child has missed the vaccination at school, either because we didn't receive a response, or your child was absent, unwell or they declined the vaccination on the day.

**If you would still like your child to receive the vaccination, we are offering community clinics. Booking is essential. Call the number below to book onto a clinic, please only call between 9.00am – 4.30pm Monday to Friday.**

**01354 644238**

**Please access and submit the Consent Form before your appointment even if you have completed one previously**

<https://immunisation.cambscommunityservices.nhs.uk/Flu?id=046b517a-f2eb-456a-93b2-29473abfd5e3>

If a grandparent, step-parent or childminder will be bringing your child to clinic please advise us when you book your appointment.

Further information can be found online [here](#). The medical information can be accessed [here](#), a child-friendly film can be viewed [here](#).

We provide this service to help protect the health of your child as part of our public task as a health service provider. Your child's school has provided us with your contact details. We will update your child's electronic health record and notify your GP of the immunisation.

We may contact you via SMS; if you do not wish to be contacted via text, please let us know.

If you require further advice or information, please contact the School Immunisation Team:

**Tel: 0300 555 5055**

**Email: ccs-tr.cambsimmsteam@nhs.net**

Yours faithfully
