Dear Parents/Carers,

General Data Protection Regulation 2018 (GDPR)

To comply with this regulation, we are required to update parental permissions individually for **every child** in the school. Full details can be found on our school website, <http://www.norwood-school.co.uk> About Us>School Policies>Norwood Primary School Privacy Notice for Parent/Carers July 2018.

As part of our school activities, we may occasionally take photographs or videos of the children. These could be individually or in groups. We use these to record and celebrate achievements. To comply with the Data Protection Act 2018 we need your permission before we can share any photographs or recordings with a wider audience.

Below is a description of activities/events that your child will take part in whilst at Norwood Primary School as part of their ongoing education and a collection of response and permission statements.

Please read each one carefully and complete where appropriate and tick to agree where relevant.

The Deadline for your response is Tuesday 18th September.

Thank you for your time and continued support.

Yours sincerely,

Mrs D Reynolds
Headteacher
