Tuesday 18th December 2018

Dear Parents/Carers,

As a school team, it has been identified that your child would benefit from tailored tuition to support their progress in Reading. This will involve your child working on focused areas of their learning, identified as an area for development, through the outcomes of their most recent assessments.

We are able to offer this extra provision on Wednesday Mornings from 8.15am with the sessions beginning on **Wednesday 9th January 2019** and continue every Wednesday for the duration of the spring term.

Children will enter school via the main office and carry out their learning in the Community Room, a comfortable and familiar learning environment for them. At the end of the session the children will then relocate to Year 6 to continue their school day as usual.

If you would like your child to attend these incredibly valuable and productive sessions to support your child's learning, please complete the response slip below by Thursday 3rd January 2019 to enable the relevant preparation to take place.

Yours sincerely

Mrs Reynolds
