*Follow Your Dream*

*Lead By Example*

13/11/2013

Dear Parent/Carer,

We would like to invite you to an information evening titled **Internet Safety in the Home**. As with most generations, children are usually one step ahead when it comes to technology and understanding its use. Through the *NSPCC- Protect and Respect Internet Safety Programme*, we are able to provide a information evening to support families to be more informed about the Internet and in turn, help you to keep your child/children safe.

The aim of the evening is to provide you with information surrounding the following areas:

- Awareness of information sharing sites
- Uploading information and who can view this
- Internet security settings
- How to check which sites have been accessed
- How to report any concerns

The evening will be held on **Wednesday 20<sup>th</sup> November at 5pm** and will last for approximately 45 minutes. We feel that this evening will be highly informative and a superb opportunity for you to gain information first hand regarding internet safety in the home. If you would like to attend this session, please complete the reply slip below.

Yours sincerely,

Mrs J.Cockerill  
Deputy Head Teacher

Mrs D.Reynolds  
Head Teacher
