Aim High

Never Give Up

Follow Your Dream

Lead By Example

Monday 15th July 2019

Dear Parent/Carer,

As your child is moving into Year 6, the last year of their primary school education, we have provided the children with a range of home learning opportunities to keep their brains active and in learning mode over the summer holidays. These have been sent home as paper copies today (copies of question booklets and copies of answer booklets).

There is no expectation for the children to complete these tasks and no sanction for not engaging with them. There will however, be a reward afternoon after the summer break for any child who completes the tasks to the best of their ability.

There are booklets for; 'Reading', 'Maths', 'Writing' and also 'Grammar, Spelling and Punctuation' - with an activity each week for the six weeks of the summer.

We have also sent home the answers in an envelope addressed to the child's parent/carer and these can be used to support your child; by marking the activity after your child has completed the learning – giving feedback where needed, enable the child to work backwards from the answer to develop a greater understanding of a secure approach/answer.

We wish you all a very happy and fun filled summer and look forward to your return into Year 6 in September.

Kind regards

Mr Reynolds
Year 6 Teacher
