Aim High

Never Give Up

Follow Your Dream

Lead By Example

Friday 19th July 2019

Dear Parents/Carers,

Kingswood 13th – 16th September 2019

As you know our trip is fast approaching and we thought that sending out a packing list before summer would be beneficial to you. Attached is a recommended packing list but please contact Mrs Locke if you have any queries.

As always we have to be ready for all types of weather in September so please pack a couple of warm sweatshirts or hoodies. We are outside all day so the children will also need a water bottle (named) and a rucksack type bag to carry their jacket and bottle in.

Please take particular note of the long sleeves and trousers request as many activities cannot take place without these and a **good waterproof coat** is also essential as we are outdoors most of the time. We usually get very muddy so please don't worry about buying lots of new clothes.

Your children will be responsible for their own suitcase and clothing so please label as much as you can. A clothing list sellotaped to the inside lid of the case is a great idea. It helps immensely when we are packing on Monday morning!

Another letter with extra information and times will be sent out early in September.

Have a lovely summer.
