# Bedrock Summer Challenge

Wednesday 24<sup>th</sup> July 2019

Dear Parent/Carer,

Research shows that children's learning can regress over the Summer holidays. It is important for children to have some 'down time' but also to keep their brain active.

In order to support this, I have removed the 48 hour block on Bedrock. This will enable your child to do as much Bedrock as you wish without it impacting on when you have the time to do it.

**Any child who completes two sessions of Bedrock per week** (this should take 20 minutes per lesson to register as a session) **will receive a free slush drink when they return to school.**

We hope that you have a wonderful Summer with your child and enjoy lots of time together.

Kind regards,

Mrs J. Cockerill  
Deputy Headteacher
