Aim High

Never Give Up

Follow Your Dream

Lead By Example

Friday 13th December 2019

Dear Parent/Carer

Today, your child will bring home their most recent set of assessments that they have completed in school.

- Reading
- Arithmetic and Problem Solving and Reasoning
- Spelling and Grammar

These assessments are based on ***end of year expectations*** and are the 2017 end KS2 DFE SATs papers. These will provide you with an understanding of the content of learning, skills and knowledge your children needs to acquire to be at age related expectation by the end of the year.

The answers provided in pencil were those completed in test conditions, timed and independent (adults are allowed to help with the reading of the questions in maths and grammar only).

The purple annotated answers are those that the children have completed when reviewing their work in a supported learning environment.

For children to be at end of year expectations in May, based on scaled score conversion they would need to achieve a score as follows in each of the subject areas:-

Reading 28/50

Maths 58/110

Grammar, Punctuation & Spelling 38/70

Children can also attain Greater Depth in each subject with the following marks being required for this to be awarded:-

Reading 41/50

Maths 95/110

Grammar, Punctuation & Spelling 56/70

If you have any questions or queries on these tests, please speak to your child's class teacher.

Yours sincerely

Mrs D Reynolds
Head Teacher
