Friday 10th January 2020

Dear Parents/Carers,

Firstly, I would like to thank you all for showing an interest in attending dance Club this term, it is wonderful to see so many returning faces as well as those joining for the first time. The club however has been extremely popular which means we have more pupils wanting to take part than spaces available.

In addition to this, it is hoped that the pupils at the club will learn a routine which will then be performed at the Queen Katherine Academy during our whole school performance. This means that pupils who attend the club need to be committed to coming every week and whilst at the club, need to show a real desire and engagement in learning the choreography.

It has therefore been decided that during the first session (Thursday 16th January) pupils will audition for their place. This will involve pupils being taught a short routine as well as a few standalone movements to then perform at the end of the session. Our decision will be based on the following:

- Engagement in the session
- Ability to pick up choreography quickly
- The desire to improve and learn
- Hand eye coordination- being able to carry out a series of movements at the same time with various parts of the body
- Timing with the music
- The ability to commit each week

Miss Johnson and Miss Hodgkins will then make a decision at the end of the session and you will be informed via email as to whether or not your child has secured a place in the club by the end of the day on Friday 17th January. For those who are not successful, they will be placed on a waiting list and should a space become available your child will be invited to join.

Thank you again for showing an interest in joining the club and we hope to see all of the those who wish to attend at the first session.

Many Thanks
