

Head Teacher: Mrs D Reynolds - BSc Hons QTS NPQH

Aim High

Never Give Up

Follow Your Dream

Lead By Example

Wednesday 11th March 2020

Dear Parents,

As you are aware, Norwood Primary School is wholly committed to caring for and promoting the wellbeing of your sons and daughters.

We have an opportunity to work with a research degree student from the University of Cambridge. She is also a Headteacher.

The research is aimed at increasing self-efficacy in 10 -11 year olds in evaluative situations.

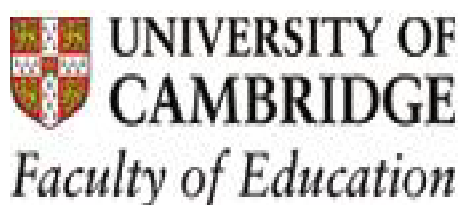

We need your permission for your son/daughter to complete 2 short questionnaires about attitudes to test and feelings of self-efficacy. These are completed both pre and post any tests so a total of 4 questionnaires. All data is anonymised. No individuals are named. The University of Cambridge has approved the ethical nature of this research.

Please do feel free to contact Helen Barsham for further information and her details are included below.

Please email admin@norwoodschool.co.uk with your permission by Wednesday 18th March 2020.

Yours sincerely,

Helen Barsham –doctoral student at:
