Dear Parent/Carer,

With the End of Key Stage 2 fast approaching, we will be providing the children with a range of home learning opportunities to keep their brains active and in a learning mode over the Easter holidays. These will be sent home with your child today.

There is no expectation for the children to complete these tasks and no sanction for not engaging with them during the Easter holidays. However, if any school closure is enforced, these are to be used as home learning for the duration of the period. The children will benefit from working on this pack as the content supports the standards expected at the end of Year 6.

The holiday packs, called '10 for 10' cover Reading, Maths and Grammar, and also Spelling and Punctuation. We will also send home the answers in an envelope addressed to the child's parent/carer and these can be used to support your child; by marking the activity after your child has completed the learning – giving feedback where needed, enable the child to work backwards from the answer to develop a greater understanding of a secure approach/answer. We will also include a parent/carer Glossary of terms for Grammar, as much of the terminology has changed in light of the newer more challenging curriculum.

Kind regards,

Mr Reynolds
