02/05/2020

Dear Parent/Carers

We hope that you are all keeping safe and enjoying the little bit of returning sunshine we are having.

As this week draws to a close, all of our staff have had their entitlement to their 'holidays' and we are officially all back to work from Monday (04/05/2020).

I would like to thank the team of staff who have all covered for each other over this 4 week period to ensure that we remain open for our critical workers and vulnerable children, as well as continuing to set and support learning at home.

From Monday, all our staff will all be back working, whether remotely from home or on school site. One of our tasks for the coming week is to reimburse any payments for trips and events that have been cancelled – this will be done through ParentPay.

We will also continue to reach out to new children for September 2020 intake and make links with families and pre-schools.

Later in May, as is usual for the Year 6 team, we will begin our transition work for Year 7. This involves working with our secondary school colleagues, as well as a programme of learning to support children with their next big step in the world. If your child is in Year 6, please reassure them that we will ensure their transition to secondary school is dealt with sensitively and in a supportive manner.

As we have a greater capacity in our staff team from Monday, please do let us know if you need any support – whatever that may be. We have staff on hand to deal with a range or support such as Seesaw technical issues, support with FSM vouchers, sign-positing to other agencies to support families.

I would like to thank all of our families for their kind and supportive messages to school at this time and we look forward to welcoming you all back when it is safe to do so.

Mrs D Reynolds  
Head Teacher
