Dear Parents/Carers

Welcome back to the second half of Summer Term. We hope that you had a lovely half term break in a very different way to what was 'normal'.

We have welcomed back more children onto site from families of Key/Critical workers and they have settled very well.

We are now back to learning and children on and off site will focus on the tasks set via Seesaw/Tapestry.

For the relevant year groups, a reminder that Bedrock is available to develop reading and vocabulary skills. This is an amazing provision that when used regularly is having an amazing impact.

Well done to all the families who are engaging with home learning via these platforms and a reminder that there are many links to learning sites via our year group pages on our website – [www.norwood-school.co.uk](http://www.norwood-school.co.uk)

Each year groups can be found here.
