

Around the World in 80 Days

This Wednesday 3rd June at 2pm, we will be releasing on our Youtube channel our ★★★★★ (theStage) production 'Around the World in 80 Days!' which premiered at the Cambridge Junction in 2014.

Based on Jules Verne's famous novel and combining clowning, live music, storytelling and an international ensemble, 'Around the World in 80 Days' takes you on a high speed, mad-cap, transcontinental, race against the clock. 1 policeman, 2 comrades, 3 cab rides, 4 continents, 5 trains, 6 ships and just 80 days to get back home!

The show will premiere at 2pm on the 3rd of June and will then be available for 2 weeks online. The show will be subtitled and the recommended age is 5+. Running time: 90 minutes.
