## June Update

Dear Parent/Carers

I hope everyone is safe and well and those of you that are home schooling are managing to feel included in our happy school community.

I wanted to take this opportunity to just update everyone on our current staffing situation.

Firstly, Mrs Fox is now on maternity leave and we must congratulate Mr and Mrs Fox on the birth of Noah Orion Odain Fox. We hope that all the family is happy and healthy. Hopefully the new role of parenthood is not too much of a shock to them both and they are managing to cope with the lack of sleep.

Secondly, we sadly say goodbye to Mrs Hyde, Mr Medhurst and Miss Andrews and we would like to wish them every success in their new adventures.

Finally, I would just like to reiterate that if any of you are at all worried or have any anxieties about the current situation please do not hesitate to communicate with school, where we will do our best to help.

Stay safe and well.

Yours sincerely

Mrs D Reynolds  
Head Teacher
