Monday 22nd June 2020

Dear Parent/Carer,

I am writing to share with you how we intend to enable our Y6 Transition Project to Secondary Schools to take place as sensitively, effectively and thoroughly as possible given our current situation. The program of learning has been designed to be both informative and interactive whilst also enabling all of the key themes of transition to be explored.

At the core of this are the collective and individual needs of all of your children and their emotional wellbeing.

The Transition Project will take place via nine, whole-class online Zoom sessions of approximately 40 minutes in duration accompanied by smaller, follow-up discussion groups of 20 mins (the codes and passwords will be shared prior to the meetings via Group Call and in accordance with the school policy agreed by Governors). This approach will enable us to: work together as a class to explore a transition theme; complete some individual work about our own thoughts, feelings and questions; provide the opportunity to chat more openly within friendship groups. These sessions will be accompanied by a Transition Workbook (which will arrive though the post) and your child will work through this as part of each session – they need not complete any work in the book until during the Zoom meeting.

The sessions will take place on Monday, Wednesday and Friday and the timetable and discussion groups are included at the end of this letter and will remain the same for the three weeks of transition.

In addition to this program, they will also receive the gift of a book from Norwood - 'Go Big: The Secondary School Survival Guide' by Matthew Burton (Head Teacher from the TV series Educating Yorkshire) which is full of helpful, funny and encouraging words to support the process.

Should you or your child have any questions or concerns regarding anything to do with transition, please do not hesitate to contact the school office, whereby they can be passed on to the Year 6 Team.

Kind regards

Year 6 Team

Mrs D Reynolds
Head Teacher
