

Dear Parent,

Due to the current circumstances we are unable to allow photographers into our school this term to capture our 2020 School Leavers. We realise that having a memory of their final year is important to the students, so we have come up with a solution that we would like everyone to participate in if possible.

Please follow the link below and upload a recent photo of your Year 6 Student.

All photos **MUST** be uploaded by 14/07/2020.

After the cut off date, we will send you another link to order from us.

All deliveries will be sent directly to you.

*You are not obliged to order, however we urge you to participate so that fellow leavers can receive a completed class image.
