Tuesday 14<sup>th</sup> July 2020

Dear Parents/Carers,

We recently wrote to you regarding the vacancy that we have on our Governing Body for a parent. Unfortunately, we did not receive any nominations for the important role within our school community.

We do understand that these are strange and difficult times, however it is vital that we have a fair and proportionate representation from all categories that make up the full Governing Body.

Our children at Norwood would like to share their thoughts on how important they feel the role is for school.

Dear Parents/Carers,

Our School Council need your help! Do you have a little time to spare? Do you want your child to have a better future? Could you help us with making better choices in our school? If yes, then read on.

We are very lucky that we get to help with decisions across school. As a council we have a very important role. We would love some new governors to help us with making decisions for school.

As a council we even meet with our school governors to tell them about what we have been doing in school. This is really important to us as we feel valued through sharing our ideas. We have helped design the school lunch menu, make suggestions for after school clubs and help with special days in school for charity, most recently 'Australia Day' after seeing it in the national news.

Our whole school would love it if you could help us and become part of Norwood.

Children of Norwood School Council

If you feel that you could support our school community and work within the Governing Body or would like to find out more about the role, please do give school a call.

We look forward to hearing from interested parents.

Mrs D Reynolds  
Head Teacher
