Monday 18th November 2013

Dear Parents/Carers

Norwood Primary School would like to share a new app for assessments in the Early Years Foundation Stage.

We have decided to use a new software called Orbit Early Years, which will help reduce the level of paperwork and time spent collecting observations and making assessments. Whilst this is a real benefit to school, Orbit Early Years also has an Orbit Family website for parents/carers to make it easier for you to communicate with school about your child's learning.

Orbit is entirely free for everyone to use.

Please read the attached information from Orbit and if you would like to register, please complete and return the slip back to the class teacher.

If you have any questions, please do not hesitate to ask.

Yours sincerely

Mr L Alletson
Reception Teacher

Mrs D Reynolds
Head Teacher
