Dear Parents/Carers,

In order to improve our safety procedures, we have created a document for you to add photographs and the names and relationship of people whom you give consent to collect your child. Any person with parental responsibility (usually Mum and Dad) will also need to be added.

This document is expected to support the new staff teams for September in getting to know which adults who are most likely to collect your child. Please bear in mind that the Norwood policy states that the person collecting your child must be over the age of 18.

The photographs will also enable you to have peace of mind when you need to make a last minute change with who will be collecting your child. If you need any further sheets, please contact the school office.

By adding names and photographs to the sheet, Norwood will presume that you have gained consent from the individuals before providing school with the document.

All documents will need to be returned to Norwood for the start of the school year and by Friday 11<sup>th</sup> September. This document is also on our website for you to print off if you wish <https://www.norwood-school.co.uk/page/?title=Whole+School+Letters&pid=338>

In an emergency, if you need a different adult, who is not already stated to collect your child, phone the school office.

Kind regards,

Mrs J. Cockerill  
Deputy Headteacher

Mrs D. Reynolds  
Headteacher
