

Join our virtual open evening for prospective students who are currently in primary school

We would love to show you around our lovely school, but in order to adhere to Public Health guidance we are unable to open our doors to the public this year.

Visit us from the comfort of your home. You can view our virtual video tour which illustrates our fantastic facilities including our new build, a superb Art, Design & Technology Centre.

Listen to what our students and staff have to say. We are very pleased to present a video series that showcases life at The Deepings School through a number of episodes. These include our curriculum; teaching and learning; student voice; Sixth Form and our excellent pastoral system. Follow the link to watch: [welcome to our virtual open evening](#)

We want to answer your questions. Look out for our forthcoming Question & Answer Zoom meetings too! Please click the link to express your interest: [register for our Q&A sessions here](#)

Following another set of strong summer examination results, this is an exciting time to join our school community.

We look forward to welcoming you.
