Tuesday 20th May 2014

Dear Parents/Carers,

On **Monday 2nd June 2014** there will be a visitor delivering a small session on snakes to Year 1 and Reception.

We are very lucky to secure a staff member at Gunthorpe Primary School, who cares for a variety of snake breeds, to visit us and demonstrate how to care and handle these exotic pets. This adult is trained in showcasing snakes and is a certified handler of the pets. We will use this opportunity to discuss the backgrounds, habitats and diet of different snakes and how they grow and change. This will be an exciting experience as there may even be new born snakes on show!

We are asking parents to complete the permission slip below and to return to the class teacher before **Friday 23rd May 2014**.

If you have any concerns or require more information, please do not hesitate to contact a member of the Year 1 team.

Yours sincerely
